## HORSE FOR SALE.

A sorrel gelding, coming three years old. Perfectly sound and gentle. Inquire of A. L. COMPTON.

## A Complete Success.

Mr. Abner L. Ross, whom our readers know as the former lessee of the Tabard Inn, and lately the founder of Deer Lodge, went to Chattanooga last fall and bought the furniture and lease of the Willard House, cor. 8 and Chestnut Sts. He immediately changed the name to "Merchants Hotel," and changed the character and business and has so managed the hotel as to place it among the best hotels of the South. The House is full of guests, who appreciate the good cheer of the Landlord and he is now doing all the business the hotel is capable of.

One day this week we concluded to get out see what was going on in the world. Taking the southbound train we went down to Sunbright and spent a few hours with Bro. Dunning of the DISPATCH, from there to Cincinnati, where we spent the day, thence to Junction City for a few hours, then to Chattanooga for a day and then back to Rugby just sixty hours after leaving.

While in Cincinnati we spent some time in the pressroom of the A. N. Kellogg Newspaper Co., that is where the outside of the "News" is printed. Their office is well equipped and doing a large business.

We are under obligations to Mr. Hutchings, the manager, and to many of the employees for the courteous treatment and valuable information that we received.

Saturday, Feb. 14 was the fourteenth anniversary of the marriage of Mr. and Mrs. Riddell, and on that day we assisted in disposing of the many good things for which the table at Twin Oaks is noted.

Mrs. Sager, Mrs. and Miss Shelton, Mrs. Giles and Mr. H. W. Giles were there. We wish them many happy returns of the day.

Messrs. S. V. Bowden, of Knoxville, and Landon Rich, of Middleborough, Ky., passed through this place Friday on their way to Jamestown. Mr. Rich was formerly a merchant in this place.

If some of our citizens who grumble about the mud would try Chattanooga for a day, they would be surprised on their return to find how much our streets had improved.

Mr. Walton was thrown from his horse last week, and severely injured, but is now improving.

Happy and content is a bride with "The Rochester," she lives in the light of the morning. To learn more, write Rochester Lamp Co., New York.

While in Chattanooga we put up at the Merchants Hotel and all who want good fare and polite attention should stop there. We called on T. J. Davie, at one time the Editor of the Plateau Gazette and for many years the foreman of the office here, Mr. James Millmow and Mr. Thomas Woods, merchants of East Chattanooga, both former residents of Rugby. We are pleased to say they are all doing well.

S. G. Stoncipher, of Sunbright, was in town Monday making arrangements to attend school in this place.

Hull Bros have sold their logs to the Cumberland Mining and Manufacturing Co.

The new postoffice at Rugby Road, Elgin, is now in working order.

A. J. Albertson, P. M. at Allardt, was in town Tuesday Night.

**THE FIRST SYMPTOMS OF DEATH**  
Tired feeling, dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores, are all positive evidence of poisoned blood.

No matter how it became poisoned it must be purified to avoid death. Dr. Acker's English Blood Elixir has never failed to remove scrofulous or syphilitic poison. Sold under positive guarantee. Mrs. J. A. Dimling.

**DO NOT SUFFER ANY LONGER.**

Knowing that a cough can be checked in a day, and the first stages of consumption broken in a week, we hereby guarantee Dr. Acker's English Cough Remedy, and will refund the money to all who buy, take it as per directions, and do not find our statement correct. Mrs. J. A. Dimling.

## THE PLUG HAT.

The *Hatters' Gazette* says: An exchange paper says that the plug hat is virtually a sort of guarantee for the preservation of peace and order. He who puts one on has given a hostage to the community for his good behavior. The wearer of a plug hat must move with a certain sedateness and propriety. He cannot run, or jump, or pump, or get into a fight except at the peril of his head-gear. All the hidden influences of the beaver tend toward respectability. He who wears one is obliged to keep the rest of his body in decent trim, that there may be no incongruity between head and body. He is apt to become thoughtful through the necessity of watching the sky whenever he goes out. The chances are that he will buy an umbrella, which is another guarantee for good behavior, and the care of hat and umbrella—perpetual and exacting as it must ever be—adds to the sweetness of his character. The man who wears a plug hat naturally takes to the society of women, with all its elevated tendencies. He cannot go hunting or fishing without abandoning his beloved hat, but in the moderate enjoyment of croquet and lawn tennis he may sport his beaver with impunity. In other words, the constant use of a plug hat makes a man composed in manner, quiet and gentlemanly in conduct, and a companion of the ladies. The inevitable result is prosperity, marriage and domestic membership.

## THAT TERRIBLE COUGH

In the morning, hurried and difficult breathing, raising phlegm, tightness in the chest, quickened pulse, chills in the evening or sweats at night, any of these things are the heralds of consumption. Dr. Acker's English Cough Remedy will cure these fearful symptoms, and is sold under a positive guarantee by Mrs. J. A. Dimling.

## OUR VERY BEST PEOPLE

Confirm our statement when we say that Dr. Acker's English Remedy is in every way superior to any and all other preparations for the Throat and Lungs.

In Whooping Cough and Croup, it is magic and relieves at once. We offer you a sample bottle free. Remember, this Remedy is sold on a positive guarantee. Mrs. J. A. Dimling.

**"Seeing is Believing."**

And the best lamp ever made, like Aladdin's of old, "a wonderful lamp." A lamp absolutely non-explosive and unbreakable, which gives a clear, soft, brilliant white light of 85 candle power. Purer and brighter than gas light, softer than electric light, more cheerful than either! That lamp is

**"The Rochester."**

And with it there is no smoke, no smell, no broken chimneys, no flickering, no sweating, no climbing up of the flame, no "tantrums," nor annoyance of any kind, and it never needs trimming. Its founts (oil reservoirs) being tough rolled seamless brass, with central draft, it is absolutely unbreakable, and as safe as a falling candle.

Only five years old and over two million of these lamps in use. It must be a GOOD lamp to make such a telling success. Indeed it is, for lamps may come and lamps may go, but the "Rochester" shines on forever! We make over 2,000 artistic varieties,—Hanging and Table Lamps, Banquet, Study, Vase and Piano Lamps—every kind, in Bronze, Porcelain, Brass, Nickel and Black Wrought Iron.

Ask the lamp dealer for it. Look for the trade-mark stamp: "THE ROCHESTER." If he hasn't the genuine Rochester and the style you want, or if no lamp-store is near, send us for free illustrated catalogue (and reduced price-list), and we will box and send you any lamp safely by express, right to your door.
